

NEAT PRINTABLE HOLIDAY GIFT TAGS

MATERIALS

White or Ivory Cardstock (letter size)

Festive Baker's Twine or Ribbon

Paper Cutter

Kraft Paper (letter size, optional)

Printer

Hole Punch

Place cardstock paper in the printer. Print the front of the gift tag (page 2).

Flip the paper and print the back of the gift tag that corresponds with the NEAT item you are gifting:

Page 3: XL Canister

Page 4: Cane Basket

Page 5: Grid Basket

Page 6: Perforated Acacia Basket

Be sure to print both sides up, centered on page.

Cut on crop marks using a paper cutter — there are four cards per page.

Leveraging the circle template, punch a hole in the top center of the front card. Tie to gift with baker's twine or ribbon.

For added interest and texture, print page 7 on kraft paper. Cut, punch hole and layer on top of the double-sided cardstock piece.
